

Safeguarding is everyone's business.

The British Council believes that you are important, wherever you live, and we take your safety and wellbeing very seriously. Everyone we work with has the right to be protected from harm and abuse.

We have a Safeguarding Policy describing the steps we will take to keep you safe, in every country we work.

Safeguarding is everybody's responsibility. We recognise that we have a fundamental duty of care towards all children and vulnerable adults we engage with including a duty to protect them from abuse and harm.

Together, we can protect and prevent.
